

MANDALAY™

ALTERNATIVE MULTI-SHADES

Maxxmar™ Window Fashions invites you to experience the beauty and versatility of the newest choice in window covering design: **Mandalay™ Alternative Multi-Shades.**

Designed to maximize your ability to control sunlight, your view of the outdoors and your privacy, these elegant shades, which are exclusive to Maxxmar™, will enhance any room décor in your home.

Available in a wide assortment of colours, textures and opacities, design options include traditional roller shade operation, dual shade for maximum control of the sun's glare and harmful UV rays and our unique tri-shade for optimal light control and intimacy.

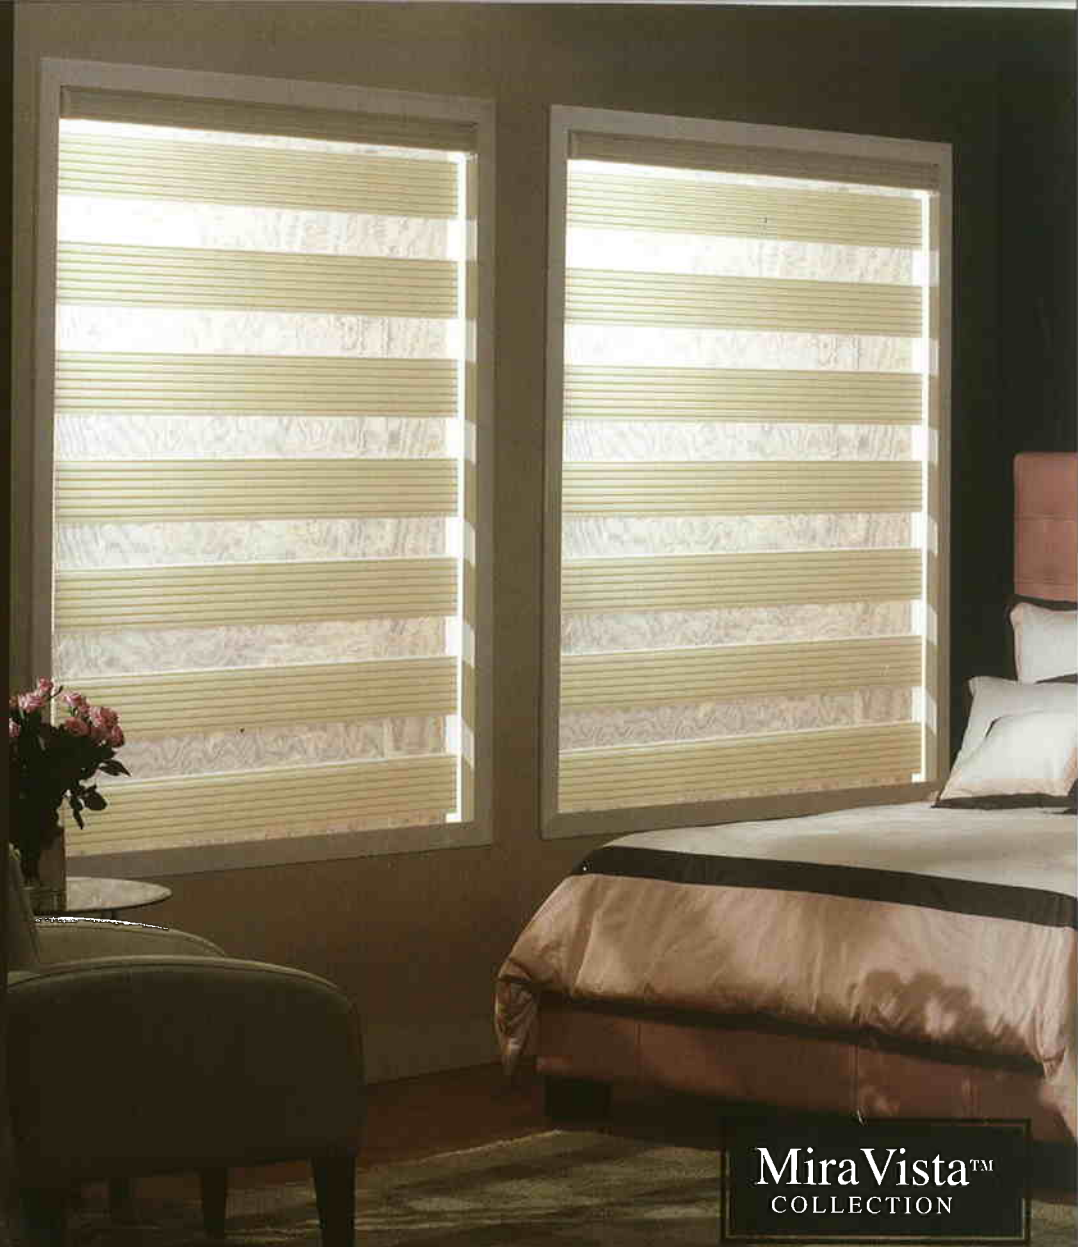

Choices of Operation

Manual Operation:

- available on traditional, dual and tri-shades
- single continuous loop control allows you to adjust shade height and light diffusion

Trigger Operation:

- available on traditional and dual shades
- single continuous loop control works at the touch of a finger by simply pulling on the chain loop allowing the shade to retract slowly into the cassette.
